

### *The Silver Eagle Plan*

*The Silver Eagle Plan* offered by **THE OGGIE WEB** offers enough power and more for a business with 1 to 5 employees. It packs unlimited web space, enough email accounts and special features for your employees and an Search Engine Optimization (SEO) package that will highlight your business on the major search engines. The features of this plan are similar to those of our more expensive Gold Medal Plan, but on a more limited scale. It would be very difficult for you to find a package this complete for the same price anywhere. And it comes with our Money Back Guarantee.
